Re: License No. 37-28359-01, Docket No. 030-31046

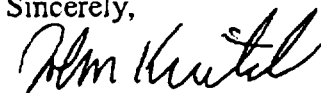

Dear Sir or Madam:

We request an amendment to the above referenced license to update the licensed use location. Currently *One Graduate Plaza* is listed as a licensed use location on the above referenced license. Cardiac Imaging Center, license no. 37-28653-01, lists 1800 Lombard Street, Atrium Suite as a use location. The street address for One Graduate Plaza is 1800 Lombard Street, i.e., One Graduate Plaza and 1800 Lombard Street define the same physical address. Cardiac Imaging Center is leasing the Atrium Suite from Graduate Hospital to perform nuclear cardiology imaging and localization studies. Therefore, we request that the license use location for Graduate Hospital be amended to 1800 Lombard Street except the Atrium Suite.

Except for transit through common public areas (lobbies, corridors, etc.), no space, facilities, or personnel are shared. As the landlord, Graduate Hospital will be responsible for taking appropriate radiation safety measures for spills or other incidents in these common areas.

If you have any questions or need any additional information, please contact our consultant health physicist, Kent Lambert, at 215-762-8768.

Sincerely,

John Kristel
