

U.S. NUCLEAR REGULATORY COMMISSION TELEPHONE OR VERBAL CONVERSATION RECORD		DATE: 04/13/2005
		TIME: 12:55 PM
PARTICIPANTS: Joji Abasolo and Dr. Jules Pean	ORGANIZATION: Cape Heart Clinic	PHONE NUMBER: 609-465-7517
LICENSE NO. 29-28684-02	DOCKET NO. 030-35478	MAIL CONTROL/REPORT NO. 136538
SUBJECT: Request for copy of Agreement License		
SUMMARY: <p>I requested that agreement state license 202-257-24 that was referenced in the license amendment request letter dated 2/17/05, would be faxed to 610-337-5393. Joji took this request and my telephone number.</p> <p>I got a call back from Dr. Jules Pean stating that he would fax a copy of the New Jersey license that he was an authorized user. I stated that the New Jersey license probably would not be sufficient but would look at that license. A copy from the license from Danville, Kentucky is what would be most likely needed.</p>		
PERSON DOCUMENTING CONVERSATION: Dennis Lawyer		DATE: 04/13/2005
ACTION TAKEN: New Jersey license was received but not sufficient to document training for licensee. State of Kentucky was contacted but the licensed referenced did not have Dr. Jules Pean as an authorised user.		Completed
