RE: Response to Request for Additional Information
Groundwater Corrective Action Plan
Sequoyah Fuels Corporation
Gore, Oklahoma

Dear Mr. Fliegel:

The Oklahoma Department of Environmental Quality (Department) has completed its review of the March 16, 2005 Response to Request for Additional Information for the proposed Groundwater Corrective Action Plan.

The review included an examination of the constituent concentration graphs and the maps representing 1000-year projections of arsenic, nitrate, and uranium degradation at the site.

The Department has no comments concerning this document at this time.

If you have questions regarding our review of this document, please contact Mr. Robert Replogle at 405.702.5131 or robert.replogle@deq.state.ok.us.

Sincerely,

Saba Tahmassebi, Ph.D., P.E.
Chief Engineer
Land Protection Division
