Person Called: Margaret Douidy, Paralegal	Licensee: Lockheed Martin Corporation	Telephone No.: 407-356-2415
Person Calling: Steven Courtemanche/(610) 337-5075		
Subject: Clarification signatory authority.		
<p><u>Summary:</u> I spoke with Ms. Douity about the amendment request. She indicated that she was not a member of senior management but that the licensee had granted her signature authority in cases where amendments had to be made in the license granted by the State of Florida. She asked what would it take for her to perform the same function for the licensee in regard the NRC license. I stated that it would take a letter from her management to the NRC giving her the authority. For the purpose of this amendment, management would have to review the submitted documents, agree with the content, and indicate the consent in writing. Ms. Douity indicated that Mr. Meredith had been made the RSO on the State of Florida license. I requested a copy of the license to show that Mr. Meredith was approved for similar activities as the NRC license. Ms. Meredith agreed to fax me a copy of the license and the letter granting her signature authority.</p>
