**Subject: Decommissioning of Maury Hall**

This letter is written to inform you of our intention to decommission one of our older research buildings, Maury Hall. It continues to be our desire to modernize or replace the buildings on campus and to centralize and contain Radioisotope research within as few buildings as possible.

Maury Hall is a two-story masonry constructed building and is divided equally by a wall. It consists of approximately 3200 square feet on the ground floor with the 2<sup>nd</sup> floor also consisting of 3200 square feet. It is our intention to begin the decommissioning process in early June and to hopefully complete it by the end of June or early July.

Please advise if additional information is required. I may be reached by telephone at 806-684-7152 or by electronic mail at twgrose@vims.edu.

Sincerely,

Thomas W. Grose  
Director, Safety and Environ. Programs/RSO
