REGION 1

Effective March 31, 2002 we executed through National Fire Insurance Company of Hartford a Payment Surety Bond, No. [REDACTED], for P&G-Clairol, Inc. in the amount of \$150,000 for the above. It is our understanding that this facility has successfully been decommissioned and that the license covered by this bond has been terminated. We would, therefore, appreciate the return of the above bond so that we may secure cancellation. If it is not possible to return the bond, may we ask that the enclosed Bond Release be signed and returned to us. We have enclosed our business reply envelope for your use.

Thank you for your assistance.
