<b>Subject:</b> amendment to add new RSO		
<p>I spoke to Mrs. Tampkin-Price, consultant, about the amendment since she had called earlier this week inquiring as to the status of this action. I informed her form 313 must be signed by a management representative and not the new RSO, especially since the amendment is requesting a new RSO be named. I also informed her the new RSO, Mr. Waterbury, should be named as an authorized user on the license since as RSO he will have to handle licensed material. I informed her Protometrix could fax this information to my attention.</p>
