Greetings:

In reference to your letter of April 8, 2005, we have the following response:

1. Two completed copies of NRC form 313 are attached.
2. Dr. Robert Gumbardo will be designated Radiation Safety Officer for this license, notwithstanding our earlier request. Dr. Gumbardo is an Authorized User on this license.
3. Dr. McGuire has been previously listed as an Authorized User on another NRC license. A copy of that license is attached.
4. We have corrected the typographical error on Item 12 to read "...applicable section to Subpart K to 10 CFR20 and 10 CFR 35.92."
5. This facility will be accepted "as is." An amendment request to remove this facility from byproduct materials license 06-30265-01 will be sent.
6. Dr. Lehman is a Partner in Diagnostic Imaging of Southbury.
7. There has been no change in ownership. Diagnostic Imaging of Southbury has always been distinct from Naugatuck Valley Radiological Associates. The prior request for an amendment to add an additional location of use in Southbury for NVRA was made in error. This should have been a separate license application from the start.

Please contact us if you require additional information.

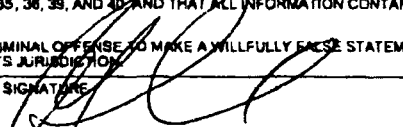

Sincerely,

Robert M. Lehman, M.D.
