Subject: Amendment request for Waterbury Hospital Health System, mail control 137038

Reference: Waterbury Hospital Health System
license 06-02406-01
docket 03001251
mail control 137038

To: Gerry Randall, RSO

Request is to remove 35.400 from license. Cs-137 and Sr-90 sources reportedly were transferred to Adco Services, Inc. for commercial disposal. Please provide documentation of receipt of sources by Adco and of Adco's authorization to receive the sources (i.e., license number or copy of license).

Please provide this information within 30 days. You may fax your response to my attention at 610-337-5269, referencing mail control 137038. Please leave a voicemail or e-mail message to alert me when your fax is sent.

Thank you for your help. You may e-mail me with any questions.
