I have been asked to help Tri State Medical Center with the amendment of Dr. Frank Rivas to their NRC license. I reviewed your letter dated May 25th and apologize for the lack of information being shared with you. Dr. Rivas is an authorized user on NRC license #47-25522-01. They should have just asked that he also be listed on license #47-25414-01.

I hope this information helps you finish the amendment and if you need any further information, please don't hesitate to call me at (304) 522-7000.

Thanks again,

Curtis Nichols
