Franklin)   Termination of byproduct and transfer of the special nuclear materials  license   <p>A conference call was arranged between Women's Medical Hospital,  their attorney and Region I to determine the course of action that would  be taken to terminate the byproduct materials license and transfer the  special nuclear materials license. According to Dr. Pickering, the sealed  sources were transferred to a Bionomics for disposal on June 13, 2005.  Region I informed Dr. Pickering that WMH would need to provide  documentation of the receipt of those materials by Bionomics. Dr.  Pickering also mentioned that Drexel University had RAM stored at their  campus. Region I stated that documentation would need to be provided  for that disposal as well. Region I informed Dr. Pickering that we would  need close-out surveys for the areas (WMH and Drexel) where the RAM  was stored prior to termination. With regards to the special nuclear  materials license, a letter signed by a member of management agreeing  to the transfer of License No. SNM-1369 to Drexel University. Region I  informed Dr. Pickering that K. Lambert was working on the referenced  letter and would be forwarding it to her in the near future for WMH  management's signature.</p> Wait for information </td> </tr> </table>			Name of Licensee:  Name of Participant(s):  Telephone No.  Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small>  Summary:          Action Required:	Women's Medical Hospital  Harriet Franklin (Attorney for WMH), Nancy Pickering, M.D. (WMH), P.
