Dear Mr. Peduti:

Regarding your request to renew NRC License No. 47-23053-01, in the application dated May 2, 2005, the following additional information is needed:

1. Your application should have been signed by a management representative. Please have the response to this email signed by a management representative indicating that management has reviewed the application and concurs in the statements and representations contained therein. Note also that a management representative should sign all future correspondence that requests a change in your license.

2. Please be aware that NUREG-1556, Vol. 4 is being used to review all license renewal requests. You will note that this guidance generally does not require the submission of detailed procedures during the licensing process. The checklist application in Appendix B of NUREG-1556, Volume 4, should be helpful in identifying the information required by NRC to process your request for license renewal. You may download this form at:[http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v4/#\\_1\\_49](http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v4/#_1_49) or call our Licensing Assistance Section at 610-337-5313 for a copy. If you need any additional technical assistance, please call me at 610-337-6942. Please submit your response IN WRITING within 30 days, and be sure to reference the control number listed above on your correspondence. You may fax this to my attention at 610-337-5393 (if you fax, please do not mail).

Sincerely,
