Attention: Mr. Dave Everhart

Reference: Renewal of License Number 19-21091-01
Mail Control Number 136265

03019755

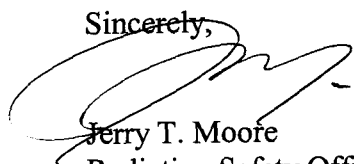

The intent of this correspondence is to formally request specific possession limits for License Number 19-21091-01. It is understood that these limits will negate the need for SAIC-Frederick, Inc. to file a Decommissioning Funding Plan with the U.S. Nuclear Regulatory Commission. It is further understood that the Cs-137 sealed sources will be handled separately using a limit of 10E12 of 10 CFR 30, Appendix B quantities.

As always, it has been a pleasure working with you. If you require additional information please do not hesitate to contact me at your earliest convenience.
