(License No. 29-28286-02)

Dear Sir/Madam:

Further to a phone conversation with Dr. Sattar Lodhi of NRC-Region I today, and specifically referring to Paragraph 3 of NRC's cover letter of June 1, 2005 accompanying the "Notice of Violation", this addendum will confirm that I, as President of Geotech, am the management representative who will review periodically with our RSO, Mr. Murat Arkan, P.E., our program and ensure that all of the NRC requirements and conditions pertaining to our NRC license are complied with or satisfied.

I recognize the seriousness of this matter and pledge that I will fulfill the "management"'s role in this matter diligently.

Yours very truly,
