I stated that the 2 year period allowing for non-use of radioactive material has already been completed. I stated that they need to terminated the license or request for an extended period of inactivity which may be granted under 10CFR30.36(f). They need to state why it is not detrimental to the public health and safety and are otherwise in the public interest. The request should also include a clear commitment not to use licensed material for any purpose, pending disposal or authorization to restart. Mr. Webb said he would discuss it with the College's management. He believed that they would still pursue the standby - no operations request. The college of New Jersey to request for an extended period inactivity beyond the 2 years or terminate the license. </td> </tr> </table>			Name of Licensee: Name of Participant(s): Telephone No. Subject: <small>(NOTE: This will be used as the Documents Title in ADAMS)</small> Summary: Action Required:	The College of New Jersey Brian Webb, Occupational Safety Specialist (609) 771-2881 Request for Additional Information I confirmed that all licensed material was removed from the site.
