SUBJECT: OLIVER W. CAMINOS, M.D., NOTIFICATION OF TEMPORARY JOB SITES,
CONTROL NO. 137414

Dear Dr. Caminos:

This refers to your letter dated July 1, 2005, notifying NRC of temporary job sites used under your NRC license and your letter dated July 25, 2005, notifying the NRC of the addition of three more temporary job sites used under your license. In each letter you indicate that you are sending the NRC this information, "to comply with Highmark's new credentialing guidelines," and to add the locations as temporary places of use job sites. 10 CFR 35.14 contains the notifications which are required to be submitted to the Commission. Please note temporary job site locations are not among the items which require notification of the Commission. Temporary job sites are not listed on your NRC license in order to provide you with the flexibility to change sites without amending your license or notifying the Commission. Therefore, these letters will not be incorporated into your license. In the future, please do not send notification to the Commission concerning temporary job sites used under your license.

If you have questions concerning this letter please contact me at (610)337-6952. Thank you for your cooperation.

Sincerely,

Original signed by Pamela J. Henderson
