<p>Name of Licensee: Indiana Regional Medical Center</p> <p>Name of Participant(s): Scott Rhoades, Nursing Supervisor (Administrator-on-call) Lance Brunetto, Administrative Director, Center for Cardiac and Vascular Care</p> <p>Telephone No. hospital: 724-357-7000 Lance: 724-357-7047</p> <p>Subject: Departure of current AMPs/additional information request for (NOTE: This will be used as the amendment Documents Title in ADAMS)</p> <p>Summary: Per Penny Lanzisera, Acting Branch Chief, one of the two current AMPs called to say he and his fellow physicist are leaving employment today. The current licensing action, not yet completed, is to name a new AMP. Penny directed me to contact Stephen Wolfe, President and CEO, to determine if licensee is treating HDR patients.</p> <p style="margin-left: 40px;">Mr. Wolfe was not available, nor was anyone in Administration. The hospital operator connected me to Scott Rhoades. I explained the situation and Scott had Lance Brunetto call me back. (Lance manages Nuc. Med. and is familiar with the recent amendment to obtain an HDR system.)</p> <p style="margin-left: 40px;">Lance said HDR unit has not been installed and source has not been received. He said contract of the 2 current AMPs will end August 1. He said licensee will not install unit until amendment is issued to name new AMP. Per discussion with Penny, I said we can issue expedited amendment to name Greg Hay as AMP if licensee commits to providing vendor training before beginning AMP duties. Lance said licensee will send fax signed by CEO or VP/Ops on Monday. He said they were planning to notify NRC within 30 days of departure of current AMPs. I asked him to include this notification in the fax.</p> <p>Action Required: Await fax; issue expedited amendment</p>
