Subject: Request for Transfer of Certificate of Compliance 5796 for Advanced Medical Systems Inc. Container Model Nos. 181375 and 181361

Reference: Advanced Medical Systems Inc. Transfer request and Notification Letter to the Nuclear Regulatory Commission, dated July 26, 2005

To Whom It May Concern;

In conjunction with the reference notification letter from Advanced Medical Systems Inc. (AMS), International Isotopes Inc. (INIS) hereby requests transfer of Certificate of Compliance (COC) 5796 for Model Nos. 181375 and 181361 from AMS to INIS.

In accordance with the regulatory requirements applicable to certificate transfer, INIS accepts the responsibility for the completeness and accuracy of the statements and representations in the Safety Analysis Report for the AMS container identified above. In addition, INIS will be responsible for maintenance of the COC, the SAR, and existing quality assurance records. INIS's Quality Assurance Program is NRC approved (Ref. Docket number 71-0929, Expiration date October 31, 2009).

Should you have any questions concerning this notification, please contact me at (208) 524-5300.

Sincerely,

Steve T. Laflin

U.S. Nuclear Regulatory Commission
Washington, D.C. 20555-0001

Subject: Request for Transfer of Certificate of Compliance 5796 for Advanced
Medical Systems Inc. Container Model Nos. 181375 and 181361

To Whom it May Concern;

Pursuant to the sale on July 20, 2005 of its source exchange container to International Isotopes Inc. (INIS) Advanced Medical Systems Inc. (AMS) herewith requests the NRC to transfer its Certificate of Compliance (COC) referenced above from AMS to INIS.

Other aspects of the COC transfer as pertains to the recipient's regulatory commitments, confirmation of documentation receipt, and schedule for formal request for COC transfer will be addressed by INIS in its corresponding notification letter.

If you have any additional questions, please contact me at 440/466-8005 x 269

Sincerely,

John Markin
