Docket No. 70-36

Combustion Engineering, Inc.
ATTN: Mr. H. V. Lichtenberger
Vice President - Manufacturing
Nuclear Power Systems
Windsor, CT 06095

Gentlemen:

Effective May 4, 1981, the policy of the Office of Inspection and Enforcement concerning the procedures for review of NRC inspection reports for possible proprietary information is changed. If a report contains any information that you (or your contractors) believe to be exempt from disclosure under 10 CFR 9.5(a)(4), it will be necessary that you (1) notify this office by telephone within seven days from the date of the letter transmitting the report of your intention to file a request for withholding; and (2) submit to this office within 25 days of the date of our transmittal letter a written application to withhold such information. If we do not hear from you within the specified seven day period, the report will be placed in the Public Document Room.

Sincerely,

James G. Keppler
Director
