Subject: Re: Lockbaum Letter on Salem

Thanks, Ellis. It would be best to handle it as Dave L. requested.

We will keep you posted.

Hub/Jim,

I just spoke with Steve Burns and his counsel is to honor requests not to treat an obvious 2.206 as a 2.206. Thus, if you decide to go ahead and treat this letter as a 2.206, talk with OGC first.
