365 Winchester Avenue
New Haven, Connecticut 06508

Attention: Mr. D. P. Cronin
Director of Licensing

Gentlemen:

Enclosed is Special Nuclear Material License No. SNM-777, as amended. Also enclosed is a copy of a safety analysis dealing with the amended license.

Please note that this license does not incorporate the experimental program described in your letter dated October 14, 1964 which in our letter dated October 16, 1964, we stated we had no objection to your performing. It is our understanding that the experimental program was not intended to become a part of your typical recovery operations and would be completed prior to your resuming production operations.
