Post Office Box 626  
Brookhaven, New York 11719

Dear Dr. Kouts:

Attached are copies of the correspondence listed below. A copy of each is being furnished each member of the Technical Review Committee.

1. Memorandum to the Files from R. W. Kirkman, dated October 8, 1964, subject "UNITED NUCLEAR CORPORATION, SCRAP RECOVERY FACILITY, WOOD RIVER JUNCTION, RHODE ISLAND, LICENSE NO. SNM-777, TYPE "A" CASE - CRITICALITY INCIDENT - MEETING WITH MANAGEMENT, SEPTEMBER 26, 1964"
2. Letter from Eber R. Price to United Nuclear Corporation dated October 12, 1964
3. Letter from Harold L. Price to Mr. John Lindberg, United Nuclear Corporation, dated October 12, 1964

In regard to the enclosures referred to in the first paragraph of Mr. Harold L. Price's letter, Mr. Eber R. Price's letter dated October 12 is the same letter listed as number 2 above; a copy of Mr. Donald A. Musbauer's letter, dated October 12, 1964 (which relates to a pending amendment), has not been furnished the Committee.

Enclosures 2 and 3 above will not be filed in the Public Document Room until replies have been received from the licensee. You and members of your committee will be furnished copies of the licensee's replies when they are received. Mr. Kirkman's memorandum is internal and will not be filed in the Public Document Room.

Very truly yours,

Original signed by  
L. D. Low
