Re: FOIA Request for Documents

Dear Director;

The City of Frederick Industrial Program hereby requests copies of all NRC licenses issued to facilities located in the following zip codes:

21701, 21702, 21703
21704, 21705, 21709

The Industrial Program also hereby requests copies of any and all documents relating to the release of radioactive materials into the sanitary sewer system from any facilities located in the above listed zip codes.

The above request is made pursuant to the Freedom of Information Act and 10 CFR Sec. 9.15. The Industrial Program is a program that is administered by the City of Frederick so therefore has no commercial interest in the requested documents and requests a waiver of all fees pursuant to 10 CFR Sec. 9.41. If there will be a charge for the information, than I do need to know that before any information is sent. The City of Frederick works on a Purchase Order system and all Purchase Orders must be received before ordering any information or materials.

Please call me at (301) 696-2979, if you have any questions about the foregoing. Thank you in advance for your assistance.

Sincerely;

Tim Keepers

Industrial Program Coordinator, City of Frederick
