Mr. Elliott Earl  
Management Analyst  
22 Elizabeth Drive  
Manchester, Connecticut 06041

Dear Mr. Earl:

This is in reply to your letter, August 2, addressed to the Secretary of the Interior.

The U. S. Geological Survey was not contacted to monitor for contamination in regard to this incident. I, therefore, am referring your inquiry to Mr. L. D. Low, Director, Division of Compliance, Atomic Energy Commission, 4915 St. Elmo Avenue, Bethesda, Maryland, for reply.

Sincerely yours,

Acting Director
