Dear Mr. Price:

To confirm my telephone conversation with Dr. Marvin Mann on September 22, 1964, representatives of United Nuclear will meet with you on Thursday, October 1, 1964 at 0930 in your offices. The purpose of the meeting is to discuss your review of our license modification request to License SNM 777, our plans for start-up of the Fuels Recovery Plant for operations of a production nature, and our actions subsequent to the nuclear incident on July 24, 1964.

This meeting is intended to fulfill our obligations for a conference with you prior to such start-up as stated in my letter to you dated July 30, 1964 and our report submitted to you on August 24, 1964.

We understand that October 1, 1964, is the earliest date you will be in a position to hold a conference to include review of the request for license modification.

Very truly yours,
