Docket No. 70-0036

Dear Mr. Shafer:

In response to your letter dated September 3, 1986, we have taken corrective action concerning the noncompliance identified in Inspection Report 70-36/86002.

All personnel have been instructed to wear hand protection when handling contaminated equipment. In addition, general procedures pertaining to contamination control have been tightened.

We believe that we are now in full compliance on this item. Contamination control will continue to be routinely audited to avoid further violations.

Please advise if further information is required.

Very truly yours,

COMBUSTION ENGINEERING, INC.
