UNITED NUCLEAR CORPORATION (UNC), HEMATITE, MO.; NEW HAVEN, CONNECTICUT;
WOOD RIVER JCT., R.I. - CERTIFICATION OF NON-COMMINGLING --
DOCKET NOS. 70-36, 70-371, AND 70-820, DECEMBER 9, 1965 TWX (NLS:REK-487)

DML:CB:RHO

UNC has submitted license amendments to delete specified shipping routes
from the Hematite license and permit transshipment under the New Haven
and Wood River Jct. licenses.

"UNC will obtain certificates of no-commingling from each carrier and
terminal authority prior to each shipment".

We recommend approval of the three license amendments provided the
certificate of non-commingling is as given in Section 703.1 of SNM-33
(Hematite).
