Attention: Mr. L. J. Swallow, Manager
Nuclear and Industrial Safety
Commercial Products Division

Gentlemen:

Pursuant to Title 10, Code of Federal Regulations, Part 70, Special Nuclear Material License No. SNM-33, dated April 21, 1965, is hereby amended to include the revised page 10A and Drawing No. 65011-201, (Rev. 3) submitted in your application (NIS-CP-DCD-13) dated July 25, 1968.

All other conditions of this license shall remain the same.

In connection with this application, you requested that Drawing No. 65011-201, (Rev. 3) be withheld from public disclosure as provided in § 2.790, 10 CFR 2. The Commission has determined that public disclosure of Drawing No. 65011-201, (Rev. 3) is not required in the public interest, nor by 10 CFR Part 9, and would adversely affect your interest. Accordingly, Drawing No. 65011-201, (Rev. 3) is being withheld from public disclosure pursuant to § 2.790(b) of the Commission's Rules of Practice, 10 CFR 2. Such withholding from public disclosure shall not, however, affect the right, if any, of persons properly and directly concerned to inspect this Drawing.

FOR THE ATOMIC ENERGY COMMISSION
