Hematite, Missouri 63047

Attention: Mr. David G. Darr, Acting Manager
Nuclear and Industrial Safety Department

Gentlemen:

Reference: NIS:DGD-70-154

In accordance with your application dated June 17, 1970, and pursuant to Title 10, Code of Federal Regulations, Part 70, Special Nuclear Material License No. SNM-33, dated April 21, 1965, is hereby amended to include the following changes in the Item Plant: an increase in the depth of oven trays described in Subsection 824.4.1 to 1½ inches; addition of equipment identical to existing licensed equipment; and relocation of existing licensed equipment. Accordingly, Special Nuclear Material License No. SNM-33 is amended to incorporate the revised paragraphs and drawings specified in Attachment A to this amendment.

All other conditions of this license shall remain the same.
