NIS:LJS - 69/427
NIS:LJS - 69/428

This refers to your applications dated July 29, 1969, submitted as proposed replies to our letters dated May 13 and June 13, 1969, regarding renewal of Licenses Nos. SNM-36 and SNM-777.

The information proposed to be submitted, in general, is satisfactory, however, we have identified several items which need additional amplification, clarification, and/or revision. Upon receipt of your finalized reply to our letters dated May 13 and June 13, 1969, including the revised tables and graphs for Section 309 as you indicated were being prepared in your applications dated July 29, 1969, we should be in a position to take final action on your applications for renewal of Licenses Nos. SNM-36 and SNM-777. Your reply should take into account the information discussed with Mr. R. L. Layfield of this office. We would like to receive this information within 45 days from the date of this letter.
