License No.: SNM-1361

Docket No.: 70-36

Date Issued: JUN 7 1973

SPECIAL NUCLEAR MATERIAL IMPORT LICENSE

Pursuant to the Atomic Energy Act of 1954, as amended and Title 10, Code of Federal Regulations, Part 70, a license is hereby issued to Gulf United Nuclear Fuels Corporation, Hematite, Missouri 63047, authorizing the Company to import not more than 1.2 kilograms uranium in the form of UO_2 at not more than 3.75 w/o U-235.

This license is issued in accordance with the application dated May 16, 1973, and shall expire on December 31, 1973.

The license is subject to the following conditions:

1. The licensee shall obtain all information from the foreign exporter necessary to complete the shipper's portion of Form AEC-741, "Nuclear Material Transfer Report." If the licensee is the receiver of the material, he shall record this shipper's information on the copy of the Form AEC-741 completed and sent to the AEC pursuant to Section 70.54 of 10 CFR 70. If the licensee is not the receiver of the material, he shall provide the shippers information to the receiver of the material for inclusion on the receiver's Form AEC-741.
2. The licensee shall notify the Materials and Plant Protection Operations Branch, Directorate of Regulatory Operations, immediately by telephone or telegram, if entry of any import shipment authorized by this license is refused by the U. S. Bureau of Customs.
3. The licensee shall surrender the original of this license, when the material is imported, to the U. S. Customs for immediate transmittal to the Directorate of Regulatory Operations, Region I, USAEC, 970 Broad Street, Newark, New Jersey 07102.
