

g:\alleg\panel\20020113arb5.wpdALLEGATION REVIEW BOARD DISPOSITION RECORD

Allegation No.: RI-2002-A-0113
Site/Facility: Salem & Hope Creek
ARB Date: 9/03/2003

Branch Chief (AOC): Meyer
Acknowledged: Yes
Confidentiality Granted: No

Issue discussed: The allegeder was originally concerned with his ability to perform duties in accordance with the Transient Assessment Response Plan (TARP) team formation procedure. When contacted by OI he chose not be interviewed and stated that he would try to resolve his concerns within the PSEG corrective action process. The NRC issued a conditional closeout letter to the allegeder stating that the NRC will consider this allegation closed unless he contacts us within 30 days of the date of the letter. He did contact NRC in a November 20, 2002, letter and stated that he wanted the NRC to keep the issue open.

In a telephone call and subsequent letter dated 12/20/02, the allegeder wanted the NRC to pursue his H&I claim and wanted to address the TARP issue.

DRP reviewed a 2/19/03 OI transcript (previously completed) and the final OI Report (OI Case no.1-2003-010) to determine if any new technical issue could be identified.

Alleged contacted prior to referral to licensee (if applicable)? Yes
