J. White contacted POGO on 5/7/02 in an effort to obtain any additional info re: the individuals who raised the issues on the list and the affected sites. POGO would not provide the requested information. POGO agreed to contact the individuals and apprise them that they could contact the NRC. Based on the above, and as noted in the Allegation Receipt Report, as well as information provided by the utility on 5/8/02 to the Regional Administrator that some security guards may have visited POGO, Region I has concluded that the issues most likely refer to Salem/Hope Creek.
