Subject: Redacted draft closure letter for RI-2002-A-0132 & 0144

The draft letter is attached. I have tried to include changes re:the edits/comments discussed during a meeting on Friday afternoon (4/4/03) w/J. Wiggins (Holody, White, Vito). There are some holes that need to be filled in and John White and Greg Smith will be working on those on Monday. I will be back in the office on Tuesday morning.
