Subject: Licensee Response to RI-2002-A-0144

I have received the licensee's response to this allegation. The response needs to be reviewed by those listed in this e-mail. Unfortunately, the licensee only provided a copy containing 2.790 information - redacted version not provided.

If you get a few minutes before the next alleg panel on 3/11/03 stop by our office and I will provide you a copy of the licensee's response.

Thanks
Sharon
