Subject: Re: DRP/DRS Alleg Panel Schedule for 4/30/03

As we have discussed earlier, please remove 2003-0017 from this week's schedule. Both Ron Nimitz and I have reviewed it and have concluded that PSEG's response was acceptable. I will prepare an enclosure to reflect that conclusion.

Also, as we discussed earlier, please reschedule 2002-0137 for the next panel meeting.
