Subject: Final ARB Forms from 9/18/02 Panel

Attached.

Reminder - (Salem) Branch 3 owes the alleg office a panel form for RI-2002-A-0034 stating actions discussed at 9/18/02 alleg panel.

RI-2002-A-0090 (Millstone) was not discussed because the allegor had received the standard letter from the DOL Area Director not in favor of allegor and it has been established that the allegor filed an appeal with the ALJ on 8/7/02. We will continue to monitor the DOL process.

RI-2002-A-0116 - Hope Creek and RI-2002-A-0123 Indian Point will be ad hoc paneled on 9/23/02. I do not have a time as of yet - coordinating with Brenda and Kaye. Plan on the afternoon.

The alleg office will need ARB forms for RI-2002-A-0123 and RI-2002-A-0116 before the ad hoc panel on 9/23/02.

Thanks Much
Sharon
