Subject: 180 Day Clock Allegations

I have received the licensee's response to allegation #s RI-2002-A-0131 (IP2) - 180 day clock = 4/4/03 and RI-2002-A-0132 (Salem/Hope Creek) 180 day clock = 4/8/03.

The licensee response to RI-2002-A-0131 (IP2) contains Safeguards information.

The licensee response to RI-2002-A-0132 (Salem/Hope Creek) although it does not contain Safeguards info they have requested 2.790 exemption and have NOT provided a redacted version of their response.

Both responses require review by DRP and DRS (Security).

I believe both of these allegations and the deadline issues were discussed yesterday at the monthly allegation status meeting as needing added attention.
