Subject: Re: Draft HC NLO violation

looks good.

>>> Scott Barber 10/30/03 12:02PM >>>

I have completed the "first draft" of the proposed violation for the alleged wrongdoing at Hope Creek. This is needed by OI to begin investigation of an allegation (2003-0138) discussed during an ad-hoc ARB today. I am forwarding it for your review and comment.

Our current proposal is to treat this separately from the on-going Salem/HC SCWE review.
