Subject: **sensitive alleg information***

Hi Sharon,
I am attaching file 2004-0020 closeout enclosure. Bill Cook has reviewed and Ok'd. We mention in the writeup that we will attach the July 30, 2004 letter (NRC letter to PSEG on work environment assessment results.) because it relates to the responses to the concerns.
That's attached to this e-mail also.
Thanks
Anne
