Proposed date for the closure of 0061 & 0062 - August 17th. (tomorrow)
Attached is the closeout memo for 0036. Thanks for the reminder on that.

If there is not a need to repanel - the licensee response(s) are acceptable - you do not need to provide an ARB form. They will be removed from the schedule - but give us a proposed date when they will be closed.

Any questions - ask
