Sharon,

The specific instructions I had on that particular allegation was that an attachment was not necessary - the allegation was just to be summarized in the cover letter.

If I am directed to do otherwise, I will be glad to add the enclosure. Thanks!

Thanks for the drafted referral letters - however - the drafted letter for RI-2001-A-0133 DOES NOT have the Enclosure 1 as part of the letter - please draft the enclosure 1.

Due 12/14/01.

Thanks
