

# ALLEGATION DISPOSITION RECORD

Rev. 6/6/97

Allegation No.: RI-98-A-0040

Branch Chief (AOC): Linville

Site: Salem

Acknowledged: No

Panel Date: 2/26/98

Confidentiality Granted: No

Issue discussed (original allegation): Contractor maintenance technicians not trained and qualified for performing work per internet e-mail rec'd by J.Zwolinski (NRR) and OPA as described in PSE&G Action Request (AR) No. 971126210.

AR disposition notes this is an administrative issue with no safety impact. Licensee took immediate corrective actions to reproduce lost paperwork (when contractors changed from Raytheon to Givoo) and during the interim, no mtc. contractors were allowed to perform work on safety systems until training/qualifications were verified.

Alleger contacted prior to referral to licensee (if applicable)? No
