Subject: here is the 0010 2nd referral draft enclosure
Place: R1Allegation

As referenced in my call to Leanne -
Scott did the verbal communication to PSEG on Thursday, 7/8/04. I talked to Jeff Keenan again around 11am today. He is prepared for a 14-day expected turnaround on this 2nd referral of the single concern regarding relief valve past inoperability and possible wrongdoing.

Thanks,
Anne
