Subject: Salem Comm Team conference call - 10:30; Q& As

The Salem Comm Team conference call will occur at 10:30 am today on passcode 0202# on the NRC conference call system. Region I personnel should gather in the DRS conference room. The discussion topics will included:

1. Briefing of Sen. Carper's staffer, primarily on Salem tritium leak and recently issued special inspection, but also other performance concerns.
2. Potential for allegations to become publized (civil suit is already a public record).

The attached file has Q&As.

Separately, I'll forward answers to Sen. Carper from February.

Glenn
