Suite 400
Chantilly, VA 20151

Gentlemen,

In accordance with the Freedom of Information Act and regulation 10 CFR 2.390, Hillis-Carnes Engineering Associates, Inc. is requesting information on a license application for portable gauge use. We are inquiring as to if an application has been received from a company by the name of Geo-Design & Engineering, Inc. in Virginia. The applicant's name would possibly be either Mohamad Abukassem or Scott Yarmowich. We are interested in the date on which the application was received by the NRC.

If you could research this information and contact us at your earliest convenience, it would be greatly appreciated.

Very Truly Yours,
Hillis-Carnes Engineering Associates, Inc.

William M. Carnes
President
