

September 26, 2005

Robert Ruggeri, Esq
State University of New York
at Buffalo
17 Capen Hall
Buffalo, New York 14260-1660

Dear Mr Ruggeri:

This is to inform you that Indemnity Agreement E-34, between the State University of New York at Buffalo and the U. S. Nuclear Regulatory Commission, entered into pursuant to the Price-Anderson Act, remains in effect. Any incident resulting from the shipment of radioactive material from your facility to another location would be indemnified under the Price-Anderson Act for up to \$500 million.

Sincerely,

/RA/

Ira P. Dinitz, Senior Insurance Analyst
