Dear Mr. Sabino:

Thank you for your letter of September 14, 2005, inviting me to be a keynote speaker at your 2006 Conference to be held in Las Vegas the week of August 5, 2006.

I appreciate your offer to be one of your 2006 keynote speakers. At this time I can only provisionally accept your invitation since it is difficult to predict when regulatory matters may present themselves and affect my schedule. I will evaluate my availability again in the early spring of 2006 and follow up with you at that time to finalize my participation. NIRMA is an important stakeholder to the NRC, and I will do whatever I can to give my participation high priority.

I enjoyed participating in the 2005 conference and being given the opportunity to share information with the records management community.

Sincerely,

/RA/
