

January 16, 2004

ADDRESSEES: All Region III Power Reactor and Fuel Handling Facility Licensees

SUBJECT: NRC PERSONNEL ACCESS - UPDATE TO THE QUARTERLY SITE ACCESS dated January 1, 2004

Please refer to our Region III Quarterly Access Authorization listing dated January 1, 2004, and make the following change. Mr. William Macon, NRC Badge No. [ ] has completed generic training in radiation protection and physical security. The expiration date for this training is January 14, 2005. This individual has gone through a process for authorizing NRC employment which achieves or exceeds a level of trustworthiness and reliability that is comparable to that required of licensee personnel for unescorted access to a nuclear power plant. Exp

If you have any questions, please contact me at (630) 829-9556.

Sincerely,

/RA/

Roger L. Doornbos  
Site Access Coordinator  
Information Resources Branch  
Division of Resource Management  
and Administration
