Dear Mr. Pastoor:

This refers to your letter dated August 9, 2005, with enclosures, notifying us of the proposed change of control of NRC License No. 21-26460-01, issued to Cammenga & Associates, Inc., associated with a proposed sale of all Cammenga stock to a new stock holder, Michael Alexander. You noted that the proposed sale is anticipated to occur shortly following August 23, 2005, resulting in your requested for our written consent by August 23, 2005. Based on the information you provided, addressing information needed for change of control, as described in Appendix F of NUREG - 1556 Volume 15, and containing signatures of top level representatives of both buyer and seller, we have no objection to the planned change of ownership/control as described. Please note that you will need to notify us promptly in writing after the transaction has been finalized and reference your August 9, 2005, letter with enclosures, so that we can issue an amendment to the NRC license (tying down the referenced documents) to reflect the change of ownership.

If you have any questions or require clarification on any of the information stated above, you may contact us at (630) 829-9829.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script that reads "Loren J. Hueter".
